

*Neighbourhoods for a Sustainable Vancouver
invites you to a Panel Discussion on*

Funding our Community Centres to better serve the needs of all citizens

Ainslie Kwan

President, Killarney Community
Centre Society

Phil Daum

Treasurer, Sunset Community
Association

Jesse Johl

President, Riley Park Hillcrest
Community Association

Moderated by Randy Helten

**Wednesday, March 13, 2013 7:30 PM
Hollywood Theatre, 3123 West Broadway**

Park Board has recently proposed far-reaching changes to control the programming and revenues at Vancouver's Community Centres, a cornerstone of our neighbourhoods. The proposed changes are a critical public policy issue. The panel will respond to questions from the audience, reflect on changes contemplated by the Park Board, look at the role of volunteers running and setting priorities for local programming, and examine solutions for funding and access to Community Centres.
